

Degreaser and Remover

REMOCON® CITRUS

PRODUCT

It is a high concentration liquid degreaser, based on citrus fruits, for chemical cleaning specialized in maintenance. **Remocon® Citrus** is pleasant and fragrant, having low foaming and great degreasing power. **Remocon® Citrus** can be diluted in water in various concentrations, having high removal power in grease, oils, rubber and dirt.

SEGMENTS OF USE

- Cleaning floors contaminated with grease and oils;
- Acrylic and PVA resin remover;
- Cleaning of office floors;
- Cleaning of warehouse floors;
- Cleaning of industrial kitchens;
- Cleaning of floors that contain tire marks;
- Cleaning of refrigerators, factories, restaurants, bakeries, fishmongers, etc.

ADVANTAGES

- Nice citrus odor;
- Easy to use and clean;
- Removes accumulations of grease and oils;
- Concentrated material, allowing dilutions.

APPLICATION

Dilute **Remocon® Citrus** in water in the desired proportion and spread it to saturate the surface until it dissolves all dirt. Then rinse with plenty of water for complete removal. The dilution in water will vary according to the degree of crushing, and may range from 1: 1 to 1:20, considering **Remocon® Citrus + Water**. Depending on the level of contamination the cleaning process should be repeated as many times as necessary.

CONSUMPTION: In the case of concrete floors, the consumption can vary according to the degree of crumbling and porosity of the surface. Average consumption: 200 mL per square meter.

CHARACTERISTICS

Function	Degreaser
Chemical base	Citric acid D 'Limonene
Appearance	Viscous liquid
Color	Lightly yellowish
Density	1,02 to 1,10 g/mL
pH	9,5 to 12
Asset Content	13 to 17%
Flammability	Highly flammable
Packing	Bottle 5 liter, Bucket 20 liters, Bottle 50 liter and Drum 200 liters

HEALTH AND SAFETY

Keep containers closed and out of the reach of children, pets and heat sources. Keep the environment ventilated during application and drying. In case of contact with skin and eyes, wash the affected area with water in abundance. If swallowed, do not induce vomiting, seek medical advice immediately and inform the type of product.

DO NOT USE PLASTIC PACKAGING.

VALIDITY AND STORAGE

12 months from date of manufacture, provided it is stored in a dry and ventilated place, in original packaging.

NOTE: Remocon® Citrus should not be stored near sources of heat and places containing sparks. Highly flammable material.
